

## Limited Farm Chemical, Fertilizer or Seed Coverage

The following additional coverage is added to Incidental Farm Property Coverage of the FMH-3005 or 3006.

13. **Farm Chemicals, Fertilizers and Seed-** "We" pay for loss to chemicals, fertilizers or seeds that are located on the "insured premise" that occurs because of a sudden and accidental escape, leak, or seepage from a container, structure, facility, tank, tender, bag, or box.

"We" do not pay for loss to:

1. The container from which the chemical, fertilizer or seed escapes, leaks, or seeps.
2. Chemicals, fertilizer, or seeds that escape, leak, or seep while the chemical is being transferred, applied, sprayed, or spread.

Our limit for this coverage is \$5,000 per policy period unless a higher amount for this coverage is indicated on the declarations page.

The policy deductible applies.

All other terms and conditions of this policy remain the same.
