

**Restrictive Endorsement
HAIL DEDUCTIBLE ENDORSEMENT**

(The information required below may also be shown on the declarations)

-PLEASE READ THIS CAREFULLY-

In consideration of the issuance and/or continuance of the policy to which this endorsement is attached, it is understood and agreed that a special hail deductible will be applied. The deductible will apply per occurrence to each building or structure listed below or on the declaration page.

(Input Here)

Special Hail Deductible Amount:
Occurrence Aggregate Limit per each location

The special hail deductible applies to all hail losses (whether wind driven or not) to the roof, siding, antennas, cupolas, lightning protection systems, weather vanes, gutters and downspouts, doors and trim on each building or structure indicated above or on the "declarations" page of the policy this form is attached to.

The special hail deductible shown above or on the declaration page will apply per occurrence to each building or structure after the adjusted loss to the building or structure has been determined. The special deductible is primary over all other deductibles pertaining to hail losses. The Occurrence Aggregate Limit is the most we will deduct for all hail losses per occurrence and per location.
